Welcome to the Duluth Amateur Youth Basketball Association's 15th Annual "Border Battle" All-Star Games! Today's matchups pit the top high school basketball players from Northeastern Minnesota against the best of the best from North Central Wisconsin. These student-athletes were selected based on extensive input from area coaches and referees, and they excel not only on the court but in their respective classrooms and communities. We hope that you are every bit as excited as we are to see these fine young men and women take the court.

The Duluth Amateur Youth Basketball Association (DAYBA) is a private, nonprofit organization that is committed to promoting and supporting the game of basketball in the Duluth-Superior metro area. We are proud to host an event that has morphed into the premier all-star basketball game this area has ever seen!

DAYBA organizes the "Spirit of the North" tournament—one of the biggest and best travel-team tournaments in the region.

On behalf of the DAYBA Board of Directors, thank you for coming, and enjoy the games.

Sincerely,

Jim Wallner

Jim Wallner, DAYBA President

National Anthem Singer - Olivia Morin-Swanson

Olivia is a freshman at Proctor High School. Her parents are Diane Morin and Karen Swanson, along with a sister, Sophie, and a twin brother, Jack. She has been taking voice lessons from Dana Copsiskey for 7 years. Olivia has been seen in multiple Playhouse shows and also plays piano/guitar. She enjoys playing basketball, lacrosse, and running cross country. In her free time, Olivia has a great time washing dishes at Sir Benedict's Tavern on the Lake.

Give a shout out to the UMD Pep Band!

Thanks for ramping up the atmosphere at tonight's games.

2023 DAYBA Border Battle partners with “Smiles for Jake”

DAYBA recognizes the importance of mental health and has reached out to partner with “Smiles for Jake” for this year’s Border Battle. Jake Haapajoki was your normal 16-year-old kid who took his own life on February 21, 2018. Jake’s family and friends, through their despair and grief, have launched the Smiles for Jake Movement to begin work to eliminate suicide and provide hope to all that suffer from darkness and despair. The hashtag #wearealljake has been created to represent each and every person in this world that needs an extra smile, a hug, a high five, kind words, or simply a moment of attention.

“Smiles for Jake’s mission is to be a suicide prevention movement that spreads positivity through life-affirming actions, listening ears, and the message that everyone should have hope. Born in and spreading from a community that experienced the suicide of a beloved son, our short-term goal is to reduce the suicide rate and our long-term vision is to stomp out suicide worldwide.”

DAYBA is working, in conjunction with, this non-profit organization, and will give each player a personalized “Smiles for Jake” t-shirt with their name on the back. By adding mental health awareness in student-athletes as part of the Border Battle, DAYBA understands that simply showcasing skilled athletes is no longer enough.

IN MEMORY OF MIKE GERBER: A DAYBA FOUNDER

DAYBA is proud and honored to present a pair of MVP trophies tonight in memory of Mike Gerber, one of the founders of our basketball association who passed away in November 2013 following a lengthy and courageous battle with cancer.

Mike was an integral part of DAYBA since its inception in 1993. He worked tirelessly to provide basketball opportunities for young people in Duluth and beyond, including our recreational and travel leagues, the huge Spirit of the North tournament, and the ever-growing Border Battle All-Star series. It's safe to say that all of these undertakings far exceeded the size and scope originally intended, and that is a tribute to Mike, who had a knack for producing high-quality events — with every 'I' dotted, and 'T' crossed — that others wanted to be a part of.

Thousands of youngsters passed through or benefited from DAYBA in some way, shape, or form during Mike's 20 years on the board, the majority of which he served as our chairman.

Away from the gym, Mike, a devoted family man, was equally active in the community. Each spring, he arranged and oversaw restoration projects for local nonprofits through his employment at Lakehead Painting and his role as an instructor for apprentice painters. Not surprisingly, he earned numerous community service awards.

Through it all, Mike always wore a smile that perfectly matched his quick wit. He was compassionate, selfless, and always encouraging, and he never turned down an opportunity to lend a helping hand.

NORTHERN LIGHTS GIRLS' BASKETBALL

Daughter of Troy and Justine Miller (Axtell) watching Taya Hakamaki at a recent UMD basketball game.

Athletes, if you wonder what kind of an impact you can have on others, think about this picture. You were once the little kid looking up to somebody else and hoping you could be like them some day. The little girl is the daughter of Troy and Justine Miller (Axtell). Justine played for Barnum, UMD and **Northern Lights**. Taya Hakamaki is a Cromwell-Wright grad and **Northern Lights** alumni in her third year playing for the Bulldogs.

If you want to dream it, you've got to see it!

Northern Lights basketball is committed to giving female student athletes in grades 6-11 the opportunity to grow their game and learn life lessons through the sport.

Northern Lights is the ONLY all girls' AAU basketball program in Northern Minnesota and one of only a few in the state.

We've had 50+ alumni play at every collegiate level since we started the program in 1998. Currently alumni are playing at Brown University, Minnesota-Duluth, Bemidji State University, Minnesota-Crookston, Concordia-Moorhead, St. Scholastica, Finlandia University, Lakehead University, and Fond du Lac Community College. Also, many former players are coaching at the high school and collegiate level.

Northern Lights Girls' Basketball congratulates our current and previous team members playing in today's Border Battle at UMD.

Referees

DAYBA is trying to help address the nationwide referee shortage. “There are several reasons for the shortage of officials. A number of veterans stopped working games during the Covid pandemic and have not returned. The way officials are treated by fans is certainly one reason why some step away; abuse of officials on youth and sub-varsity levels drives away young people who are interested in the vocation but quit because of how they are treated by parents and coaches.”¹ This has led to scheduling games on non-traditional days and boys’ and girls’ double headers-sometimes with the same referees doing both games. This is a short-term solution.

Are you interested in becoming an official?

¹John's Journal: Officials Shortage Means ‘We’re Hanging By A Thread’ jmillea@mshsl.org

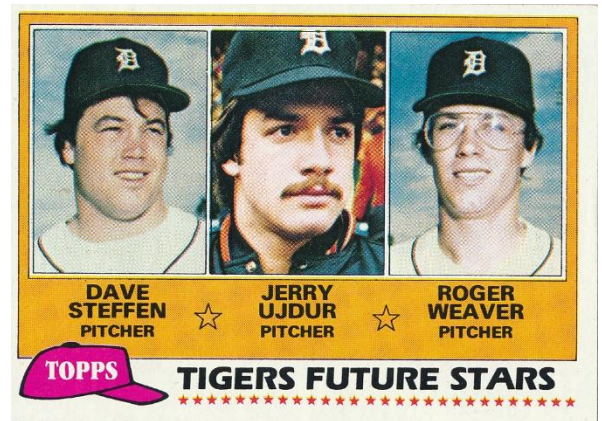

Tonight’s boys game referees: Greg Perich, Ray Kosey & Jerry Ujdur

DAYBA is giving a salute to one of our referees tonight, Jerry Ujdur. Jerry has refereed in every Border Battle. This is his 48th year of refereeing high school basketball. He has been on the floor for countless games, playoff games, region finals as well as Community College games.

What many of you may not know is that Jerry was a great baseball pitcher. In 1977 he was part of the Minnesota Gophers baseball team that played in

the College World Series. In 1978 he was selected by the Detroit Tigers in the fourth round. Ujdur was called up to the majors on August 17, 1980. He pitched in all or part of five seasons from 1980 through 1984.

Tonight, for the first time we have a three-member female team refereeing the girl’s game. There is even a more critical shortage of female referees.

Sandy Engdahl

This is Sandy's 17th year officiating high school, junior college, and Division III contests. As a member of the St. Cloud Officials Association and MSHSL, she has worked State section playoffs, MN State Girls Basketball Tournaments, and college playoffs. While she has participated on an all-woman crew on several occasions, the Border Battle is only the fifth time she has done so at the high school level.

Karen Swanson

Karen Swanson is a local LSBA (Lake Superior Basketball Association) and MSHSL official from Duluth, MN. She played high school basketball at Mt. Iron HS and college ball for the U of Minnesota Golden Gophers. She has been officiating youth and high school girls’ and boys’ basketball for approximately 7 years. Tonight's game will be the first time she has had the opportunity to officiate with an all-woman officiating crew.

Nedda Zetah

Nedda Zetah is an outstate 20-year MSHSL veteran official from Long Prairie Grey Eagle MN. She has been selected to officiate the MN State Girls Basketball Tournament the last 7 years including a championship game in 2023. Tonight’s game will be only the fifth time that she has participated in an all-woman officiating crew.

Boys: Paul McDonald, retired head men's coach at Vermilion C. C.

Paul McDonald Minnesota Boys Coach The name “McDonald” is synonymous with Minnesota basketball. Paul played four seasons for his father, Bob McDonald, at Chisholm High School, winning two state titles while helping the Bluestreaks to a four-year record of 98-8. Paul left Chisholm for the college game (Nebraska and So. Dakota State) before starting his coaching career at the high school level in Cotton and Tower-Soudan.

He recently retired after his 29th season as head coach at Vermilion Community College, where he'd captured state, region, and district Coach of the Year honors. Paul, who had more than 500 career wins at Vermilion, was a two-time finalist for the NJCCA National Coach of the Year award. He's sent nine players to D1 basketball teams, has coached fifteen All-Americans and has qualified for 23 straight State Tournaments, which is a record.

Paul is currently a St. Louis County Commissioner.

Girls: Samantha Doucette, current head women's coach at Anoka-Ramsey C. C.

Coach Samantha Doucette graduated from Colfax High School in 2010 and played basketball at The College of Saint Scholastica from 2010-2015. Currently Samantha is the co-head women's basketball coach at Anoka Ramsey Community College out of Minneapolis, MN. This past season Anoka Ramsey Community College won the Region Championship and qualified for the National Tournament. In addition, Samantha was named Coach of the Year for Region 13B. Samantha comes from a family of coaches with her dad, Joe Doucette, a Wisconsin Basketball Coaches Association Hall of Fame coach, older sister Courtney head girls' basketball coach at Colfax High School, and youngest sister Mallie assistant women's basketball coach at University of Concordia Saint Paul.

Boys: Tamara Moore, current head men's coach at Mesabi Range C.C.

Tamara Moore was born and raised in Minneapolis, Minnesota on April 11, 1980. She was a standout high school basketball player at Minneapolis North High School where she helped lead the Lady Polars to the 1998 State Championship and won the Ms. Basketball Award. She was ranked the #1 Small Forward and #15 Overall by Blue Star Index. Tamara was named to the 1998 Nike/WBCA All-American Top 20 Team. Finished her career at Minneapolis North as the leader in school history with points (2256), rebounds (1044), assist (530), and steals (577).

Tamara accepted a full-ride scholarship to the University of Wisconsin Madison where she helped lead the Badgers to the 2000 WNIT Championship and was named the 2000 WNIT MVP. In 2016, Tamara was named to the WNIT All-Time Top 20 Tournament Team. She finished her career as a 1600+ scorer and All-Time Leader in Assist & Steals (records still held). In 2017 she was inducted into the Wisconsin

Athletic Hall of Fame.

Tamara was drafted with the 15th overall pick to play in the WNBA. Over her six seasons, she played with the: Miami Sol, Minnesota Lynx, New York Liberty, Phoenix Mercury, Los Angeles Sparks, and Houston Comets. She also played six seasons overseas in Israel & France. Tamara is currently the Owner of a Semi-Pro Men's Team called TC Elite Basketball and TC Queen Elite where she served as the Head Coach.

In 2019, Tamara launched and is the CEO of the Hype Hoops League a semi-pro men's basketball league that houses 60 teams nationally with teams in Minnesota, Wisconsin, Iowa, Texas, Indiana, Kansas City, and many more markets that played their inaugural season in 2021. This past summer Tamara was able to coach with the Boston Celtics Summer League team.

Tamara has coached high school girls' basketball for seven seasons and now is currently the Head Men's Basketball Coach at Mesabi Range Community College in which she made history by becoming the First African American Woman to hold that distinction in the history of college basketball.

Girls: Krystal Brodeen, current head women's coach at Central Lakes C. C.

Coach Krystal Brodeen is currently the head women's basketball coach at Central Lakes College in Brainerd, MN. In her first year at CLC in 2022-23, the Raiders finished with a 14-7 record and were named the MCAC Northern Division Co-Champions for the first time since 1996-97. Four Raider women's basketball student-athletes were named to the MCAC All-Division Team and Coach Brodeen was also named the MCAC Northern Division Coach of the Year.

Krystal graduated from North Woods High School in its inaugural year of 2012, where she lettered in both volleyball and basketball for 4 years. She went on to play both volleyball and basketball during her time as a student at Vermilion Community College, earning All-Academic awards and graduating in 2015. After graduating from Vermilion, Krystal went on to graduate from Bemidji State University with her Bachelor's degree in Business Administration Management in 2016. She also graduated from Concordia University Irvine with her Master's degree in Coaching and Athletic Administration in 2021.

Her coaching journey began in 2017 at her alma mater, Vermilion Community College, where she was the head coach for both volleyball and women's basketball. She coached her last VCC volleyball team, which included her first NJCAA All-American player, to the 2021 MCAC Regional Tournament - Vermilion's first appearance in over 20 years. During the off-season, Coach Krystal also helps direct youth camps for Pacesetter Sports, coaches AAU for Starks Elite/MINN Starks, and is an active member of PGC Basketball and the Women's Basketball Coaches Association. She is also currently the assistant volleyball coach at Central Lakes College and interim athletic director.

1000, 2000, 3000 Point Scorers - 1000 Rebounds

Don't take these achievements lightly. Let's look what a player must do to reach these levels.

Let us assume that players will play 25 games per year. They will have to average this many points/rebounds per game to reach the different levels.

	<u>1 Year</u>	<u>2 Years</u>	<u>3 Years</u>	<u>4 Years</u>	<u>5 Years</u>	<u>6 Years</u>
1000 Points/Rebounds	40	20	13.3	10	8	6.7
2000 Points	80	40	26.6	20	16	13.4

2023 Polar League MVP

Some interesting facts about past Border Battle players. We are touting Border Battle players, but remember, these are all past area players who had amazing high school careers. Hopefully some of the fans here tonight got to see these and other great Northland players play in person. Be sure to get out and see some boys' and girls' basketball games next year. There are many great players in the pipeline. Since 2009 DAYBA has tried to pick the best players for each of the four teams.

I could not find detailed Wisconsin H. S. BB facts, thus, not as many.			All-Time Minnesota Rank

“Bob McDonald Leaving a Lasting Legacy”

This year DAYBA has established the “Bob McDonald Leaving a Lasting Legacy” Honor. “A legacy reflects a belief that life is to be lived for a higher cause than self-interest.” The history of the McDonalds’ and their love of basketball is still being written and is nowhere near being over. As a family and on a personal level, they all have a passion for basketball that is embedded into the fabric of their family. On March 28th at our 15th annual Border Battle DAYBA will recognize Joe Doucette of Colfax, Wisconsin for our first Leaving a Lasting Legacy honor. Joe Doucette of Colfax is a Wisconsin Basketball Coaches Association (WBCA) Hall of Fame member with over 600 career wins. Colfax reached the state tournament three times under the leadership of Doucette, including a Division 4 state runner-up finish in 2013. Colfax returned to the state tournament this year losing in the State semi-final. What is unique is Joe is now an assistant coach for his oldest daughter Courtney. Joe’s three daughters, Courtney, Samantha, and Mallie, played for their dad, had successful college basketball careers, and are currently basketball coaches. Samantha is the head coach of Anoka-Ramsey Community College and will be coaching the Minnesota Girls at the Border Battle. Joining her on the bench will be her dad, Joe Doucette. Like the McDonald family Joe said, “Basketball is a family love and a game we respect and value and continues to be a huge part of our family. The game has helped teach many great lessons like not giving up, work ethic, and putting others first.” DAYBA encourages everyone impacted by Joe Doucette, Bob McDonald, and other coaches who have left a lasting legacy in your life to attend the girl’s game.

Border Battle over the Years

What the **Duluth Amateur Youth Basketball Association (DAYBA)** started in 2009 still pits elite players from Northeastern Minnesota vs. players from North Central Wisconsin. However, many additions have been added over the years to enhance the experiences of the players, their family and friends and the fans who love watching two great basketball games.

Here are the additional firsts this year: • The Bob McDonald “Leaving a Lasting Legacy” Honor to long time girls’ basketball coach Joe Doucette. • Tamara Moore coaching the Wisconsin Boys’ team. Tamara is the Men’s Coach at Mesabi Range Community College. • Three female officials for the girls’ game. • Four \$500 scholarship winners instead of two because of the large number of fantastic applications

Additions from previous years: • “Smiles for Jake” is back for a second year. DAYBA added mental health because we understand that simply showcasing skilled athletes is no longer enough. This year both Jake’s dad and his Jake’s brother will talk to the players. • This year we have the largest number of schools placing ads in support of their players in the Border Battle. • National Anthem will be sung by a high school basketball player. • MVP of both the girls’ and boy’s game will be awarded. • Once again, the “Border Battle” is sponsored by St. Luke’s Orthopedics & Sports Medicine. • Northern Lights Girl’s Basketball players, parents and board members volunteer to take gate, help with 50/50 raffle, and help with clean-up. • Famous Dave’s provides the players a great meal after each game. • University of Minnesota, Duluth (UMD) pep band provides a great atmosphere for the games. • UMD head coaches and their players talking to the players. • Dave Harwig who is the official photographer for the games. • Volunteers who run scoreboard, clock, shot clock, and keep the official scorebook. • Our Public Address (PA) announcer • 500 free B/W programs at the gate • Color Border Battle Program posted on DAYBA website within a few weeks after the games. • Send \$200 to area teams that qualify for State. • Invite area team that won State Basketball Tournament to Border Battle. • IFan providing a live video of games for people who can’t make the game • WKLK radio broadcasting the game. • Television coverage of the games. DAYBA is proud that 15 years later we still have the premier all-star basketball game in the region and look forward to the next 15 years.

Bob McDonald *“Leaving a Lasting Legacy”* Honor

*Bob McDonald with his six children
Judy, Paul, Tom, Mike, Joel, and Sue*

Bob McDonald left a lasting legacy with all of his athletes and the people he touched along the way. As a history teacher and basketball coach at Chisholm High School, Bob McDonald developed an appreciation for the history of the program. The history of the McDonalds and their love of basketball is still being written and is nowhere near being over. As a family and on a personal level, they all have a love for basketball that is embedded into the fabric of their family. They have made lasting relationships with countless people and impacted so many different lives. None of the McDonald children or grandchildren got into coaching because they felt pressured to follow in his footsteps. It was his passion for the game mixed with their own love for basketball that drew them back in after their playing days were over. “You go into coaching because you like what the game did for you,” Joel said, “and you like the relationships you were able to establish because of it and you want to keep that, build on that and help instill that in everybody you coach.”

*Joe Doucette with his three daughters--
Samantha, Courtney, Mallie and his wife Tracy*

The Doucette family is tremendously honored to be receiving the Bob McDonald *“Leaving a Lasting Legacy”*. Joe Doucette grew up in Superior WI. watching many Minnesota State Basketball Tournaments. Joe played baseball with Chisholm native and Eau Claire area sportscaster Bob Bradovich who shared many Coach McDonald stories. Like the McDonald family basketball is a family love and a game we respect and value and continues to be huge part of our family. The game has helped teach many great lessons like not giving up, work ethic and to put others first. Many of our seasons ended with tough losses but we were able to regroup and get ready for next year. The game allowed our family to meet many great people and families along the way. The Winter and Colfax communities and school districts are very supportive of our teams and efforts. We always tried to impress our fans with our hard work and teamwork. When the family first got into basketball, we hoped by working hard we could possibly win some team trophies for our school and community. We often came up a little short, but we are proud of our effort and attitude. The Doucette family would like to thank Joe's wife Tracy for being the 'rock' behind the scenes. And again, the Doucette family is humbled and honored to receive this honor.

2023 Scholarship Winners

Avery Kuklinski Esko High School

Since Kindergarten Avery has been very passionate about basketball. It goes without saying that at her height, playing basketball is a challenge. She was told at a very early age she would have to work ten times harder than everyone else. Basketball has taught her to never give up on her goals, and never let her size dictate what she can and can't do. Avery has seen herself grow every day and accomplish things she never thought she could. She's done all of this while navigating a significant medical challenge. Throughout her teen years, Avery has persevered through, sometimes, debilitating juvenile rheumatoid arthritis. Her fortitude and tenacity empower others around her to achieve their best in the face of adversity. Avery plans on attending Valley City State University in North Dakota where she plans on playing basketball and softball. She will be majoring in Physical Education and Sports Leadership while also getting her coaching certification in hopes of coaching college basketball someday.

Luke Wilson Pine City High School

Luke is very involved with his school and community. He is the senior class president and promotes music, events, clubs, and activities throughout the school as an active member of the Dragon Club Phoenix. Outside of school, he works as a lifeguard, supports elementary students at basketball camps, and volunteers in the senior living community. Growing up Luke has always been a determined person. He set his goals high and put in the work until he achieves them and exceeds them. At an early age, Luke was introduced to the game of basketball and fell in love with it. His mindset is that there is always room for improvement both on and off the court. He would like to obtain a degree in business but is open to exploring other areas while completing his general requirements. Luke is undecided which 4-year college he will attend.

Ava Lamers Rhinelander High School

Ava is a three-sport athlete who has maintained a rigorous academic schedule, earning a 4.507 GPA and a class rank of 2/197. Basketball has taught her that success is about preparation. If you put in the unseen hours, your hard work will pay off. It has also taught her to not blame others when success doesn't happen. Instead, take ownership of your actions and ask yourself what you can do differently next time to ensure success. Beyond shooting and dribbling skills, basketball developed Ava's leadership skills. As team captain, she accepted the responsibility to help others believe in themselves and our purpose. She believed that responsibility should not end on the court or weight room but should extend into the classroom and beyond. She made good personal choices and worked hard in the classroom to provide a good example and gain the respect of my teammates. Her future career goals include pursuing an undergraduate degree in kinesiology at UW-Madison or the University of Montana in preparation for a graduate physician assistant or doctoral physical therapy program.

Charlie Morning Menomonie High School

Charlie has been playing basketball for as long as he can remember. He attended his first game when he was 6 days old and has been in a gym ever since. Basketball also has taught him teamwork and how to make sacrifices for each other, for the betterment of the team. Basketball pushed him to be a better person. Charlie demonstrates compassion for others by being actively involved in the community. Charlie will be attending UW-Superior and majoring in Exercise Science with a Business minor. He has also committed to play basketball for the UW-Superior Yellowjackets Men Basketball Team.

How are Border Battle players Chosen?

Be assured, it is not by throwing darts at an ever-moving board.

Let's look at our many criteria and some problems with each.

1. Seniors

- a. We only take Wisconsin seniors. This is a state regulation.
- b. We try to take Minnesota seniors, but we will take very skilled underclass boys/girls.
 - i. When we started the Border Battle, we only took seniors. But seniors were limited in the number of all-star games they could participate in, and if they played in the State or conference All-Star games, they might not be able to play in ours. Thus, we started taking underclass players. After the state dropped the limited number of all-star games, we still felt the skilled underclass players were appropriate for our games.

2. Location

- a. We take from a larger geographic area in Wisconsin. There just aren't enough schools close to Duluth.
- b. In Minnesota, we try to invite players who are closer to Duluth. This means, if we have two very similar players, one from the Duluth area and one from 100 miles away, we will choose the Duluth Area player. We occasionally will take players from "outside" our area, these have been players who will be playing for UMD. Why do we want local players if possible? Simple, we want a good crowd for these very talented players.

3. Skill

- a. This is very subjective. What does skill mean? Highest average, most rebounds, most assists, best defensive player, most athletic, hustle, best dribbler, quickest, etc. etc. etc.
 - i. We look at all of these. Does the board have different opinions concerning these skills and possible invites, yes.

4. Position

- a. We try to field a balanced roster. We strive for at least 1 point guard and 1 post player for each 5 player unit.
 - i. We can't have ten guards.

5. Character-on and off the floor-in school and out of school

- a. Again, this is highly subjective and possibly controversial. What might be considered in this category? Some examples: alcohol, drug, tobacco suspension, team suspensions, academic suspensions, on-court technicals, on-court demeanor, etc. Any player that we are aware of and we feel that has actions that may fit in this category will be looked at on an individual basis. The Border Battle is a quality event with high-quality players playing, and we strive to keep it that way.

As you can see, there are many factors we look at in choosing our players. Board members attend many, many games. We get input from many high school referees, coaches, college coaches, community college coaches, and fellow basketball fans. We study top BB player lists from both states, and study players on the internet. For the most part, the top 7-8 players are usually pretty easy, the hard part comes in players 7-13. There is not a lot of difference between these players. The board does not always agree on these players. We always ask ourselves, and disgruntled fans could too, who would you take out? I think we do a good job. Do we miss players, absolutely, but we do get very few complaints. Ultimately, the DAYBA Board has the final say on who is selected.

Thanks to IFan and WKLK for broadcasting the games tonight
