Welcome to the Duluth Amateur Youth Basketball Association's third annual "Border Battle" All-Star Games! Today's matchups feature the top high school seniors from Northeastern Minnesota versus the top high school seniors from North Central Wisconsin. These student-athletes were selected based on input from area coaches and referees, and for the last four years have excelled both on the court and in their respective classrooms and communities. We hope that you are every bit as excited as we are to see these fine young men and women take the court.

The Duluth Amateur Youth Basketball Association (DAYBA) is a private, non-profit organization that is committed to promoting and supporting the game of basketball in the Duluth-Superior Metro Area. Among the opportunities that DAYBA offers area youth include travel and recreational leagues, an annual spring tournament, and we are proud to now host an event that is primed to be the most impressive all-star game that this area has ever seen!

On behalf of the DAYBA board of directors, thank you for coming and enjoy the games.

Sincerely,

Mike Gerber

Tom Stackpool
Boys Coach

A native of Glenwood, Minn., Tom played college basketball at Minnesota-Morris. He went on to coach four seasons at Perham High School before leaving to become an assistant at the University of North

Dakota. Today, Tom is a fixture at Mesabi Range College, where he's turned the Norse into an NJCAA state power during his 20-year run on the bench. His program has qualified for the Minnesota Community College State Tournament 14 times, won two division championships and advanced to the Region 13 National Tournament twice (2002 and '04) – he's the only coach in Norse history to guide two squads to the Region 13 event. Aside from Tom's team success, he's coached 13 MCAC All-State performers and two NJCAA All-Americans.

John Bauer
Girls Coach

John breathed new life into the women's program when he arrived at Itasca Community College in 2001. The Lady Vikings have won 20 games in five of the past six seasons, dominating

the Minnesota College Athletic Conference's Northern Division during that stretch. It's no surprise, then, that John has captured division Coach of the Year honors four times. Itasca finished third at the MCAC State Tournament in 2004-05, first in 2005-06 and was the consolation champion a year later. Each of those three seasons, the Lady Vikings were NJCAA Regional runner-ups. John, who went to Grand Rapids High School before attending Itasca and Bemidji State, has seen three of his athletes garner All-American accolades.

Paul McDonald
Boys Coach

The name "McDonald" is synonymous with Minnesota basketball. Paul played four seasons for his father, the legendary Bob McDonald, at Chisholm High School, winning two state

championships while helping the Bluestreaks to a four-year record of 98-8. Paul left Chisholm for the college game (Nebraska and South Dakota State) before jumpstarting his coaching career at the high school level in Cotton and Tower-Soudan. He recently completed his 22nd season as head coach at Vermillion Community College, where he's captured state, region and district Coach of the Year honors. Paul, known for implementing an up-tempo, exciting brand of basketball, also is a two-time finalist for the NJCAA National Coach of the Year award.

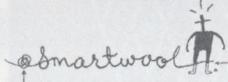

Dan Zbosnik
Girls Coach

Dan has led Mesabi Range College to the postseason 10 of the past 11 seasons. His team is coming off an 18-7 mark that included another championship in the MCAC's Northern Division and a No.

8 ranking in the final NJCAA national poll. An Eveleth native, Dan has coached the Lady Norse to four division titles, an MCAC state consolation crown and a trip to the NJCAA Region XIII title tilt during his 14-year tenure. His teams are renowned for their defensive tenacity and run-and-gun style. Dan has coached 34 All-Division players, 15 All-MCAC players, 11 NJCAA All-Region players and three All-Americans. Additionally, his program has captured a bevy of academic awards, including 24 All-MCAC Academic players, two Academic All-Americans and two Distinguished Academic All-Americans.
