Here with you

Welcome to the Duluth Amateur Youth Basketball Association's seventh annual "Border Battle" All-Star Games! Today's matchups pit the top high school basketball players from Northeastern Minnesota against the best of the best from North Central Wisconsin. These student-athletes were selected based on extensive input from area coaches and referees, and they excel not only on the court, but in their respective classrooms and communities as well. We hope that you are every bit as excited as we are to see these fine young men and women take the court.

The Duluth Amateur Youth Basketball Association (DAYBA) is a private, nonprofit organization that is committed to promoting and supporting the game of basketball in the Duluth-Superior metro area. Among the opportunities that DAYBA offers area youth are travel and recreational leagues, the "Spirit of the North" tournament — one of the biggest and best travel-team tournaments in the region — and an annual spring AAU tournament. And we are proud to host an event that has morphed into the premiere all-star basketball game this area ever has seen!

On behalf of the DAYBA board of directors, thank you for coming, and enjoy the games.

Sincerely,

*Louie St. George III*

## ***IN MEMORY OF MIKE GERBER: A DAYBA FOUNDER***

DAYBA is proud and honored to present a pair of MVP trophies tonight in memory of Mike Gerber, one of the founders of our basketball association who passed away in November 2013 following a lengthy and courageous battle with cancer.

Mike was an integral part of DAYBA since its inception in 1993. He worked tirelessly to provide basketball opportunities for young people in Duluth and beyond, including our recreational and travel leagues, the huge Spirit of the North tournament and the ever-growing Border Battle All-Star series. It's safe to say that all of these undertakings far exceeded the size and scope originally intended, and that is a tribute to Mike, who had a knack for producing high-quality events – with

every 'I' dotted and 'T' crossed – that others wanted to be a part of.

Thousands of youngsters passed through, or benefited from, DAYBA in some way, shape or form during Mike's 20 years on the board, the majority of which he served as our chairman.

Away from the gym, Mike, a devoted family man, was equally active in the community. Each spring, he arranged and oversaw restoration projects for local nonprofits through his employment at Lakehead Painting and his role as an instructor for apprentice painters. Not surprisingly, he earned numerous community service awards.

Through it all, Mike always wore a smile that perfectly matched his quick wit. He was compassionate, selfless and always encouraging, and he never turned down an opportunity to lend a helping hand.

Thus, it is DAYBA's pleasure to award the Mike Gerber MVP to one outstanding player from the girls game and one from the boys game tonight.

## DAYBA: Building Better Basketball Players Since 1992

Among the many leagues and teams DAYBA offers, none is more important to us than our recreational program for boys and girls in grades 3-6. We take immense pride in providing an affordable, high-quality experience for young basketball players. This includes a 12- to 16-game season, one to two practices per week, experienced, caring coaches, exceptional facilities and the chance to develop one's game in a fun and exciting environment. To learn more about DAYBA's rec program, go to [www.dayba.org](http://www.dayba.org).

At the 2014 Border Battle, DAYBA chairman Jim Wallner (left) presented a monetary donation for Chisholm High School to just-retired Bluestreaks coach Bob McDonald, who collected more than 1,000 wins during his illustrious career. McDonald and his son, Joel, coached the Minnesota boys team in 2014.
