

Bob McDonald “*Leaving a Lasting Legacy*” Honor

The 2023 Lasting Legacy is awarded to Joe Doucette

Joe Doucette with his three daughters — Samantha, Courtney, Mallie — and his wife, Tracy.

The Doucette family is tremendously honored to be receiving the Bob McDonald "*Leaving a Lasting Legacy*". Joe Doucette grew up in Superior, WI. watching many Minnesota State Basketball Tournaments. Joe played baseball with Chisholm native and Eau Claire area sportscaster Bob Bradovich, who shared many Coach McDonald stories. Like the McDonald family, basketball is a family love and a game we respect and value, and

continues to be a huge part of our family. The game has helped teach many great lessons, like not giving up, work ethic, and to put others first. Many of our seasons ended with tough losses, but we were able to regroup and get ready for next year. The game allowed our family to meet many great people and families along the way. The Winter and Colfax communities and school districts are very supportive of our teams and efforts. We always tried to impress our fans with our hard work and teamwork. When the family first got into basketball, we hoped that by working hard, we could possibly win some team trophies for our school and community. We often came up a little short, but we are proud of our effort and attitude. The Doucette family would like to thank Joe's wife, Tracy, for being the 'rock' behind the scenes. And again, the Doucette family is humbled and honored to receive this honor.
